Dear Santa,

I would like to travel on a certain route; one like EWR to DEN, ORD to IAD, or IAH to SFO. Passages by Delta or American are unacceptable.

Dear Santa,

I've always wanted travel out of the country, to visit places foreign and lands afar. Can you bring me a diagram that I can follow to get there?

Suggested gift: \$32

Dear Santa,

You probably get many requests for biomes to live in – like jaguars want rainforests and polar bears want tundra. Me? I want a city.

Suggested gift: \$38

Dear Santa,

I run a top scientific journal, and want you to protect it at all costs (and as a scientist, I use a fancy word for "protection" that does not have the uncool "-tion" suffix).

Suggested gift: \$41

Dear Santa,

For Christmas, I'd like a stone carving. The figure depicted should protrude out from a flat background as if to say "I'm not going to sugarcoat it, just tell it like it is!"

Suggested gift: \$52

Dear Santa,

I am up against my archenemy, who seeks to fill the battlefield with blue noughts. You must help me counter with my own symbol, to prevent him from getting three in a row.

Suggested gift: \$63

Dear Santa,

I request legal assistance to write a document stating who gets my things when I die. And I have high standards – don't want to do a bad job of it.

Suggested gift: \$72

Dear Santa,

I've time traveled to 2010 with David Tennant and Jodie Whittaker, and they're super bummed that their favorite book store chain has closed down! I wish I could help them, because now they're stuck going to Barnes and Noble.

Suggested gift: \$94
