

Solution - Yule Log Tavern

By Eshan Mitra

The questions appear to be about Santa, but in fact all work for Peter Pan. Answer the questions about Peter Pan (based on the host's comment, use the Disney animated film in cases of ambiguity)

He lives in a far off land with his counterpart, who has been known to give him a hand. Who is it?

CAPTAIN HOOK

He is associated with a scary, toothy beast that deals with those who displease him. What kind of beast?

CROCODILE

We all recognize his single-colored suit and matching hat, which goes nicely with Christmas decor. What embellishment adorns his hat?

FEATHER

The distinctive silhouette of his ride in the night sky is recognized by children and parents alike. What is this vehicle's name?

JOLLY ROGER

He flies over the city and lands on the rooftop as the children are going to bed. In what city might you spot him?

LONDON

He has a group of animalian companions, who follow his commands on where to go. Who are they?

LOST BOYS

It's the power of magic that lets him and his crew take to the skies. What kind of magic, specifically?

PIXIE DUST

You can reach his home by following a star. Which star?

SECOND TO THE RIGHT

He flies with a companion who shines a bright pinprick of light that illuminates the night. Who is it?

TINKER BELL

The grown ups don't believe in him, but children know he's real. Which child is the best authority?

WENDY DARLING

When he's around, the children sing of Christmas, snow, and sleigh bells. What is the song?

YOU CAN FLY

Enter the answers in the diagram wherever they fit. The given path spells the answer, **HAPPY FLIGHT**.
