

Winter Wonderland

Karis Jones and Nathan Jones

Each animal in the drawing represents a coat of arms from the book series A Song of Ice and Fire by George R.R. Martin. This is clued by the flavor text words “fire” “ice” and “books.” The coats of arms represented by the animals in the color by number are as follows:

Animal	House	Animal Color	Background
Bat	Whent	Black	Bronze
Bear	Mormont	Black	White
Moose	Hornwood	Black	Orange
Wolf	Stark	Grey	White and Green
Dragon	Targaryen	Red	Black
Falcon	Arryn	White	Dark Blue
Fox	Florent	Proper	Ermine
Kraken	Greyjoy	Gold	Black
Lion	Lannister	Gold	Crimson
Raven	Blackwood	Black	Red
Seahorse	Velaryon	Silver	Sea Green
Stag	Baratheon	Black	Gold
Stallion	Bracken	Red	Gold
Trout	Tully	Silver	Red and Blue

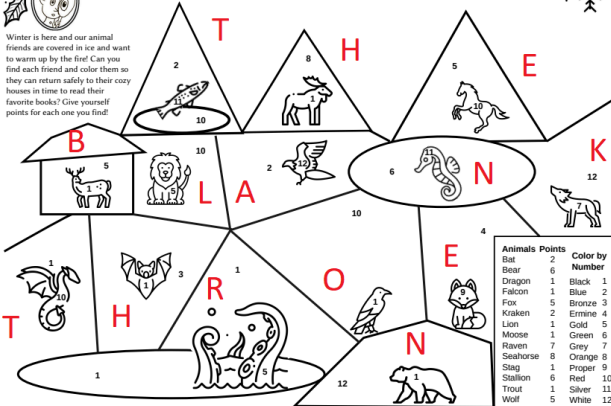

Once you’ve identified each house, index into the name of the house by the number of points assigned to each animal. Order the resulting letters in reading order (left to right, top to bottom) where the animals appear on the page. Doing so gives the phrase THE BLANK THRONE, referring to The Iron Throne in the series. The final answer is IRON.

Winter Wonderland

Some elves are preparing a coloring book for kids.

Winter is here and our animal friends are covered in ice and want to warm up by the fire! Can you find each friend and color them so they can return safely to their cozy houses in time to read their favorite books? Give yourself points for each one you find!
